More information

Delivery

Delivery Times (Stock Items)
- If the springs are in stock and the order is placed before 12:00 (noon):
  - Belgium: delivery on the next business day
  - Netherlands: delivery within 2 business days
- Orders placed after 12:00 (noon) will be processed the following business day.
- Delivery times are indicative and may vary depending on the carrier.

Production and Lead Time (Non-Stock Items)
- If the springs are not in stock and require adjustment or production, we aim to deliver within one week.
- Lead times may vary depending on the complexity of the customization and current production capacity.

Shipping Costs
- Shipping costs vary depending on the total weight and size of the shipment.
- Exact transport charges will be calculated and communicated at the time of order confirmation.
